Crabtree's Topaz Grid range offers a simple, modern look that adds a touch of class and sophistication. Create your own combination with our interchangeable modules. This allows you to make up any combination needed.

Designed, engineered and manufactured in South Africa by Crabtree, the Topaz Grid range has a slim profile, clean lines and recessed levers that enhance the uniqueness of the range.

Our manufacturing and assembly facilities have been awarded the ISO 9001:2015 certification and all products produced carry the SABS mark or are approved for sale by the South African Bureau of Standards, ensuring that all products bearing the **Crabtree name deliver, quality, safety and reliability.**
